Conference Badges

Product description: Conference badges in various sizes & formats ideal for events, conferences & exhibitions. Unlike the PVC conference badge wallets these CC badges are supplied with fittings already attached!

All models come supplied with card inserts in A4 perforated format and an outline template can be provided for the inserts in word format to hopefully aid you (some adjustments may be required due to individual printer defaults).

Fittings range from pin or combination pin & clip fitting on the 40mm x 75mm & 54mm x 90mm models, combi fitting on the 58mm x 92mm model and a 'rotating' pin & clip combination on the 60mm x 90mm model; Also available are magnet fittings on the 40x75mm & 54x90mm models!
