Window Badges

Product description: Available in either PVC, Acrylic or Aluminium in various finishes in rectangle format only. All window badges have quick & easy nametag interchange facility and are supplied with card inserts in A4 perforated format so that you can generate your own inserts. For the aluminium badges a clear acetate is also supplied to help stop the card from getting grubby. An outline template can be provided for the inserts in word format to hopefully aid you (some adjustments may be required due to individual printer default settings).

Price banded discounts for larger orders!
