Conference Wallets

Product description: Conference badges & flexible PVC wallets in various sizes & formats ideal for conferences & exhibitions. Most models come supplied with white card inserts in A4 perforated format and an outline template can be provided for the inserts in word format to hopefully help you (some adjustments may be required due to individual printer defaults).

As the company of choice we at Fine Sign offer A4 microperf card inserts in a range of colours (PW1 & PW5P only). Please ask for details!

Accessories/ fittings range from strap-clasp fittings or Lanyards. Lanyards available in plain, pre-printed or bespoke with your text/logo. A selection of sizes and material options available including safety break-away fittings and open-ended lanyards;

Price banded discounts for larger orders!
